Wednesday 14 & 21 October

2 – 4pm

Reading UK invites you to a travel sector preview of the 900th anniversary of one of England's medieval gems, Reading Abbey Ruins, and to find out more about Reading's tourism offer for 2021.

This is a complicated story – one of a buried King of England and the dissolution of the Abbey 400 years later. Add in Jane Austen and Oscar Wilde in Reading, the Bayeux Tapestry and the longest stretch of the River Thames to create one of 2021's most unexpected destinations. Let us walk you through how Reading has re-invented itself as a short break destination along the Great West Way.
